LIABILITY WAIVER I won't get hurt and I know running in the dark is a little risky, but I accept that risk. I am ready for this and I know I can always bring a flashlight and slow down. If I do get hurt I won't blame you, and nobody in my family will blame you. In fact, I'll make sure my heirs won't blame you either, especially the Town of Ridgely, Caroline County Recreation & Parks, the Denton Lions Club and The Ridgely Lions Club and the Caroline Humane Society. Thanks for working together in good will to make this event happen.
