

**Bid Package for County-wide Paving & Patching Project**  
**Bid Number CCDPW2023-03**  
**Addendum No. 1**

1. Can we use base and surface mix?  
*No – 12.5 certified base and surface mix.*
2. Deliveries ticket based?  
*Yes, tickets are to be handed in from drivers daily for asphalt and excavation.*
3. Is excavation incidental to tracking items?  
*No.. Trucks must be tracked.*
4. Pavement marking?  
*No, pavement marking will not be part of the contract.*
5. Will there be MOT?  
*The county will provide MOT and will try to shut down as many roads as possible.*
6. What is the budget?  
*The budget is 1.0 million, however, note that the budget has not yet been adopted and the amount is subject to change.*
7. Asphalt Index Adjustment?  
*Yes*
8. When is the Notice to Proceed?  
*7/1/2023 or sooner if funds become available*
9. Is there a list of roads?  
*Yes, a list of roads is now available. List includes most roads and work will most likely start in South County..*
10. What is the completion date:  
*June 30, 2024. Note: We would like to have at least ½ of project completed by November 15 2023.*
11. Where there be any evening work?  
*No, work will be performed during daytime hours only. When work is near school zones, contractor hours will adjust to later in the A.M. and sooner in the P.M.*
12. What is the average size of the project?  
*Size varies – depends on the road itself.*
13. Will excavation cover unit price/GAB?  
*Yes. CR-6 will be provided by the county at the Holly HODO site*
14. What material will be used for excavating/backfilling?  
*CR6*
15. Who is supplying CR6?  
*The county will provide; however, the Contractor will be expected to pick up and haul materials from the Holly Road landfill.*
16. Will someone be available to load?  
*There may be times when someone is available, but this is not guaranteed.*
